

State Foresters  
U. S. Forest Service Northeastern Area  
State and Private Forestry

Dear Sir:

The 1966 Nurserymen's Conference was held at Saratoga Tree Nursery September 14, 15, 16 despite the fact that the U.S. Forest Service Region 7 was undergoing reorganization into the Northeastern Area, State and Private Forestry. Since the meeting was called on short notice, no formal papers were presented. Instead, a series of discussions was held on the subjects thought to be of interest to the group. The attached Proceedings have been prepared by summarizing the taped sessions without editing or review by the participants.

Especially, we wish to thank those State Foresters who sent their nurserymen to this meeting. From the discussions and questions it was evident that each of us had something to contribute to and something to learn from each other. The exchange of ideas among nurserymen should benefit the nursery operations in your state.

Very sincerely yours,

David Nace, General Chairman  
Robert Evans, Secretary  
Elmer Terrell, Program & Arrangements
