

## RESEARCH COMMITTEE MEETING REPORT

### MEMBERS:

Al Mickelson, Illinois

John Borkenhagen, Wisconsin

Joe Hill, Pennsylvania

E. Terrell, New York

### MEETING HELD SEPTEMBER 10

#### Objectives Set:

1. To collect and publish data on practical research being conducted in Northeastern Area nurseries.
2. To determine problems that need research and to encourage State, Private and Federal agencies to undertake the research.
3. To distribute data on new products or ideas which might be tried.
4. To distribute published nursery proceedings from other areas or to republish articles of special interest to nurserymen in the Northeastern Area.

Data collection will be on regional basis with the following areas of responsibility:

Al - Illinois, Indiana, Iowa, and Missouri

John - Michigan, Wisconsin and Minnesota

Joe - Ohio, West Virginia, Pennsylvania, Maryland and New Jersey

Bud - New York, Vermont, Connecticut, Massachusetts, New Hampshire and Maine

It is now planned that a newsletter will be published about March 1 and August 1.
