

FIELD STOPS ON THE PROGRAM OF THE SIXTH
LAKE STATES FOREST TREE IMPROVEMENT CONFERENCE

The Sixth Lake States Forest Tree Improvement Conference followed the pattern of the Fifth Conference: half a day was spent in indoor sessions and 1 days in the field.

Most of the field stops represented tree improvement or site preparation activities of some of the member agencies of the Lake States Forest Tree Improvement Committee. One or more representatives of the respective agencies acted as tour guides at each stop. In the following pages we give pertinent facts presented by the tour guides.
